

# UC IRVINE School of Medicine Biological Chemistry

## Special Seminar

---

**Pierre J. Magistretti**

Ecole Polytechnique Federale de Lausanne, Switzerland  
& King Abdullah University of Science and Technology

**“Neuron-glia metabolic coupling:  
relevance for functional brain imaging and neuronal plasticity”**

Faculty Host: Dr. Emiliana Borrelli

Co-organized by the Center for Epigenetics and Metabolism and the Department  
of Biological Chemistry

---

Friday, January 23, 2015

11:00AM-12:00PM

Hitachi Lecture Hall

---
